# CULTIVATING THE FUTURE

## ORGANIC AND REGENERATIVE IN ACTION

**DATE: OCTOBER 10, 2025**

**TIME: 9:00 h - 16:30 h**

**VENUE: IFEZA**  
**Zamora (Spain) / ONLINE**

**Free Event**  
◀ More information  
and registration.

Organized:

Collaboration:

Discover how regenerative and organic farming can restore soils, boost biodiversity and improve farm profitability. Learn from real farmer stories, explore the role of consumers in building ecological food system and the challenges the sector faces. The programme combines inspiring talks and practical workshops on soil health, livestock integration, young people opportunities and European networking. Join us and take part in a day of learning, exchange, and inspiration.
